## Braggs

Sassy had a fun time at the Dauphin Dog Training Club scent work trial. She Q'd in novice buried with a 4th place time, got another Q in novice containers towards her elite title and earned her remaining leg in novice interiors for her SIN (Scent work Interior Novice) title!

Sassy also had a busy weekend at the Mountain Valley dog show cluster in Salem, VA. She showed Friday through Sunday and was Select Bitch each day. On Sunday, judge David Kirkland also awarded her Owner Handled Best of Breed and she then went on to an Owner Handled Group 4 win under judge Sulie Greendale-Paveza. She showed her little heart out and I am so proud of her!

GCH Kuuipo's Olives Pimento Perpetual Bliss Halia, PCDX, TD, RE can now add SCN to her name. She completed the Scent Container Novice title that we started at Nationals last year at the Merrimac Dog Training Club's Scentwork Trials on July 27, 2024. 10+ Years old and my beautiful and brilliant girl is still rocking the performance rings!!!
